Dear Mr. Naved and the Team,

Halo Blast cleaning LLC would like to appreciate all the handwork and diligent effort that you have put into completing the above project on March 4, 2021. It was your persistent hard work that has given us a fruitful result eventually. We are grateful to have you as one of the team leads and trusted sandblasting provider. The team dedication to work and desire to achieve the goals and personal involvement is unparalleled. It will not be an exaggeration if I say that you are the captain of the project and that without your efforts, this project would not have been completed in time with this kind of quality.

We hope to see grow and to continue to have a long term business with you.

**SUBJECT: APPRECIATION LETTER FOR JOB WELL DONE FOR SANDBLASTING
& 3 COAT PAINTING**

Dear Team,

I am writing this letter to thank your company, **Al Najm Al Mudhiee Metal Sands Cleaning**, Sharjah – UAE for the job well done for **Larsen & Tubro**, where Mild Steel materials were fabricated by Al Deraa Structural Steel Fixing & Contracting, further delivered to you under your job scope as **Sandblasting SA 2.5 & Three Coat Painting System**, which has been completed and delivered successfully within the stipulated time frame as outlined to you at the time of our initial project meeting.

Your company & the entire team members had shown diligence and dedication to finish with work in time with **great quality** and **safety** which has greatly benefited our other projects that we were handling during that phase.

Not only the service delivery but also your company was able to maintain the efficiency of each and every material ensuring that it passes through your strict internal quality monitoring process. Your attention to the specifics of the project as a proper scheduling has been very remarkable, resulting to a job well done.

Again, I would like to express my gratitude in providing your 100% in completing our Project.

We would not hesitate to refer **Al Najm Al Mudhiee Metal Sands Cleaning** to other organization who is in need of quality services from a contractor.

I hope that this would be the start of our continuous relationship and future success.

Sincerely,

Mr. Prashant Mhatre
